## SUPERVISOR CORNER

Dear parents; Welcome to the wonderful month of August. We have had an absolutely wonderful Summer. We are very happy to welcome new wonderful families to our Boyce and Clothier Center, and since we have many new children who are attending school for the first time we will be spending the first few weeks talking about going to school, making friends, similarities and differences. Also our teachers will be working with the children on routines and becoming comfortable in their new classrooms

### The Garden Corner:

ECCDC is excited to announce the revival of our gardens. These gardens will provide endless benefits to our children. We would like to thank our parent volunteers who helped us at Clothier and to SiteOne Landscape Supply for their generous donation.

**Graduation backpacks:** A huge thank you to Glennie's Office Supplies, and the Escondido East Rotary Club for the graduation backpacks. We also would like to thank our guests who attended this event, and to all our parents and volunteers who collaborated with us.

## PARENTS AS PARTNERS

### VISITS TO THE LIBRARY

Taking young children to the library on a regular basis is very important, because eventually this will lead to more reading. Reading is one of the best activities to provide the foundational language and, literacy skills your child needs to succeed.

- When you take your children to the library you expose them to a great variety of books, and magazines
- Arrange your visits around story time when a librarian reads favorite children's books aloud.
- Introduce your children to the librarian, they can help your children to select books.
- Teach your child how to care for books. Children should learn at an early age how to handle library property; no holding books with dirty hands, bending the cover or pages, scribbling, or tearing. Young readers need to understand the importance of protecting books, so that everyone who uses the public library can enjoy them, again and again!

### "Staff of the month"

We are very excited to welcome Juana Hernandez to the Clothier site. She started in the Lorraine classroom in May and is now the lead teacher of Lori B. We are very happy because she brings fun and new activities to the classroom. Juana is finishing her AA in Child Development this semester. Great Job Juana!

## FRIENDLY REMINDERS
