SUPERVISOR CORNER

Dear parents, welcome to the wonderful month of October. During this month, the teachers will create lessons on Pedestrian Safety. Children will learn how to use safety skills when crossing the street, walking across the parking lot or just having fun with their families. They will also role play crossing the street with their teachers using stop signs to signal for the children to stop walking. You can help your children too, by reinforcing these safety skills while outside with your family.

TOTS 'N TRUCKS EVENT.

We are very proud to announce our annual event. All our parents and friends are invited to attend this community event. To the delight of the children they will have the opportunity to explore and touch a large variety of trucks and the Jumpy Zone. We are also going to have plenty of fun activities, delicious food and refreshments for the entire family. Funds raised at this event will benefit ECCDC. Thank you for your support.

FUTURE EVENTS

October 1, 2018 Monday: Parent/Teacher conferences begin
October 13, 2018 Saturday: Tots 'N TRUCKS EVENT, at the Kit Carson Park 10 AM
October 19, 2018 Friday: Staff training, school close at 1PM
October 31, 2018: Wednesday Fall Festival parents are invited to volunteer.

Happy birthday

Safety Tips for Halloween Night!

Dear parents here are some ways to find out how to keep your children safe on Halloween Night!

- Trick or treat with your child
- Make costumes visible at night
- Pick up the right size to prevent tripping
- Avoid props that are pointy or sharp, get props that have soft edges
- Keep track of the weather forecast, so Your children are dressed appropriately
- Make sure your children understand that Never Ever enter someone's home while trick or treating
- Investing In a walkie talkie to stay in contact with your child is a great idea.

Have Fun!

WELCOME!

We would like to welcome back Rosa Nuno, Assistant Teacher. She is currently working with our toddlers in the B1 classroom. Rosa is very enthusiastic and she enjoys working with our little ones. We are very pleased to have her back!

Dear parents:
Please make sure to sign your child in and out in their classrooms and in the office
Thank you.
