SUPERVISOR CORNER

Dear parents, welcome to the wonderful month of October. During this month, the teachers will create lessons on Pedestrian Safety. Children will learn how to use safety skills when crossing the street, walking across the parking lot or just having fun with their families. They will also role play crossing the street with their teachers using stop signs to signal for the children to stop walking. You can help your children too, by reinforcing these safety skills while outside with your family.

TOTS 'N TRUCKS EVENT.

We are very proud to announce our annual event. All our parents and friends are invited to attend this community event. To the delight of the children they will have the opportunity to explore and touch a large variety of trucks and the Jumpy Zone. We are going to have plenty of fun activities, delicious food and refreshments for the entire family. Funds raised at this event will benefit ECCDC. Thank you for your support.

FUTURE EVENTS

October Monday 1, 2018: Parent/Teacher conferences begin
October Saturday 13, 2018: Tots 'N TRUCKS EVENT, in the Kit Carson Park
October Friday 19, 2018: Staff training, school close at 1PM
October 31, 2018: Fall Festival parents are invited to volunteer.

Happy Birthday

Isaac G., Abigail R., Michael S., Valeria R.
Gael O., Abel S., Humberto M., Noah K.,
Alexandra R., Mason M., Scarlett M.

Safety Tips for Halloween Night!

Here are some ways to find out how to keep your children safe on Halloween Night!

- Trick or treat with your child.
- Make costumes visible at night.
- Pick the right size costume to prevent tripping.
- Avoid props that are pointy or sharp, get props that have soft edges
- Keep track of the weather forecast, so your children are dressed appropriately.
- Make sure your children understand they must NEVER enter someone's home while trick or treating.
- Invest in a walkie talkie to stay in contact with your child.

Have Fun!

Clothier would like to recognize the outstanding contribution of Sandra Saldivar. Sandra has been with ECCDC since March of 2017. Sandra currently is an Instructional Aide in the Caleigh Toddler classroom and a FT student at Palomar College. Sandra is a huge help around the campus and often takes on extra task to help keep the campus running smoothly. Thank you Sandra!!

A few reminders for the fall festival!

- No scary costumes (blood, monsters).
- No facemask or other accessories.
- Close toe shoes only and must be school appropriate.
- NO CANDY ALLOWED ON CAMPUS!
