Supervisors Corner

It's that time of year again! This month we will need parents to complete the ASQ (Ages & Stages Questionnaire) verbally. These questionnaires will allow us to better support your child in all areas of development; Communication, Gross and Fine Motor, Problem Solving, Personal-Social and Social-Emotional. As we begin a new school year, your child will be moved to a new class group with new teachers. Expect a phone call from your new teacher between the 2nd and 3rd week of August. They will assist you in completing the questionnaire in order to get to know your child better.

**Reopening of ECCDC is

Staff of the Month

This month we recognize a strong leader who has been keeping everyone afloat. From coordinating all trainings to conducting meetings, she has been fully dedicated in supporting the staff and families of ECCDC. We wouldn't have come this far without her positive leadership!
Thank you Samantha Newman!

Parents as Partners

We want to continue to encourage the importance of mental health for the whole family to stay sane during the Stay-At-Home Order. Create a stress free home by living in the moment such as reading, listen to relaxing music, praying, drawing, painting, going for a walk around your neighborhood, or going for a car ride around your city. Beginning in August, Walmart will launch their Summer Drive-In Movie Theater in 160 Walmart store parking lots! Any place you decide to go, please continue to practice Social Distancing, wear your masks, and wash hands often.
